

Camp Rules 2022

- The Pfingstcamp should be a place, where everyone feels welcome and where we show each other respect. Participants who make fascist, antisemitic, racist, homophobic, sexist, or other discriminatory remarks will be removed from the camp!
- Be aware of your external impact. Your actions can cross borders without anyone being specifically targeted.
- Every form of (non)verbal, physical or sexual violence will not be tolerated. A no means no and only a yes means yes.
- If you feel unsafe, you should never hesitate to ask for support, especially if someone crosses your borders. Our Awareness Team can be recognized by a pink object which they are wearing during their shifts. You can also reach them under +49 1590 6117852 or via the "Info- Café".
- Show solidarity with people around you and support them if you sense that they do not feel comfortable.
- In general, we expect self-reliant and reflected actions from all participants. Please try to solve things among each other if possible. If serious violations to the rules occur, feel free to get in touch with the "Info-Café" who stays in contact with the princesses.
- We want all participants to feel comfortable at the camp. Therefore, it is necessary that people, especially buggers, reflect their privileges and dress their upper bodies in places where people eat, dance and cannot elude them. As soon as people feel disturbed by those actions and communicate it directly or via third parties, as the Awareness Team, it is obligatory to cover the upper body in some way. We support a playful approach to nudity. You will find creative solutions at the Exchange-tree.
- All kinds of weapons are prohibited at the Pfingstcamp!
- We are a closed event and try to achieve the best possible safer space. Please contact the princesses if you see non-camp participants hanging out on the premises and feel uncomfortable with it.
- The Czech Republic has had a tougher non-smoking law for several years. Therefore, smoking is banned in the disco and the BlueBar. Smoking is also prohibited during meals on the terrace and veranda.
- When you smoke, please pay attention to those around you and ask if you have any doubts.

- There are consumption-free and -restricted zones at the camp. You can find out exactly what this means in our consumption guide. There is an absolute ban on consumption in the playground and at childcare.
- Dogs are required to be leashed. Their piles have to be removed, no matter where they are.
- Campfires are only allowed in the campfire area. If there is no more wood ready, please contact the "Info-Café" and do not cut trees in the forest. Also fences and bungalows are not firewood!
- Do not throw cigarettes into the forest, on the meadow or elsewhere. Use (pocket) ashtrays.
- Covid still exists and endangers lives. Please take care of yourself and the people around you! Continue to wear a mask where it is tight, wash and disinfect your hands frequently and follow the hygiene concept.
- Failure to comply with camp rules may result in expulsion from the Pfingstcamp without reimbursement.

Orga Facts 2022

- The registration fee will be paid on site if you have not transferred it before.
- As an alternative to travelling by car, we offer the possibility of shuttle buses on Friday. We will shuttle you from Zittau train station directly to the camp. The shuttle can be booked in the registration. The buses will leave Zittau at the following times: 17:15, 19:15, 20:15, 21:15 and 23:15. Some Crew members will be there to support you. Please consider the hygiene concept.
- For people who visit the Pfingstcamp for the first time (but also for the seniors among us) there will be an entertaining tour of the camp on and Saturday morning. You can find the exact times in the program booklet or the app.
- On all days, each person has the possibility to call for a plenary if there are camp-relevant concerns. Please contact the "Info-Café" for this.
- On the premises there are many opportunities for our youngest to enjoy the time, which all participants should take into consideration. If the parents want to relax, there is a great childcare service. You can use this service on Saturday and Sunday from 10:30 to 13:00 and from 14:00 to 19:00 in Bungalow 22, near the "Info-Café".
- For spontaneous people who want to give a talk, presentation or hold a workshop we provide you with a clear tent. Please contact the "schlechtes Versteck" and our speaker support will help you.
- Items that have no business being on the campsite (in accordance with our Pfingstcamp rules) can be dropped off at the "Info-Café" and picked up after camp.
- Waste is to be avoided as far as possible. Accumulated garbage is to be thrown exclusively into the designated containers! Garbage bags are available at the "Info-Café" or at the bungalows. Deposit cups and dishes are available in the dining hall.
- Please make sure not to leave any trash or clothes in the bungalows before you leave.
- Return your keys to the registration desk upon departure. Lost keys cost a lot of money. If you should find them later somewhere, please contact the organisers immediately.
- The camp and its facilities (bungalows, tents, unicorns, disco, meadow, trees, paths, playground equipment, deer, sanitary facilities...) will be left in the same condition as we found them. Who damaged things, has to pay for it. All furniture stays in the bungalow!
- Theft on the camp harms everyone - we can only use the area because the operators trust us.

- Since it is often already hot and dry during Pentecost, the fire risk is correspondingly high. Please make sure that you do not burn anything (do not throw cigarettes into the forest, no self-made fire, no candles in the bungalow,...).
- The camp stops at a boundary of the site. We have no control over what happens outside (even at the lake!). Watch out for each other.
- Food is available in the dining room at the following times:
 - Breakfast: 09:00 - 11:00 a.m.
 - Lunch: 12:30 - 14:30
 - Dinner: 18:30 - 20:30 hrs
 - On **Monday** there will be only breakfast and lunch, breakfast half an hour earlier from 08:30 to 10:30. Lunch will be available from 12:00 to 13:30.
- Throughout the camp, **water** is available free of charge both in the dining hall and in the Safer Camping tent, as well as delicious **fruit** in the Safer Camping tent.
- There are no more disposable cups. You can borrow some from Barbora for a deposit. Alternatively, you can bring your own.
- Dogs pay 5.00 euro admission. However, more peace and quiet for the beloved four-legged friend can be either found at home or in a boarding kennel, with lots of exercise and new friends.
- As always, we have a medical team for all kinds of aches and pains. You can find them in the building behind the barbecue area or you can contact them via the "Info-Café".
- There is a safer camping crew. You can find them in the chillout tent behind the volleyball court. There you will get information about substances, and you will find fresh fruit and water as well as some peace and quietness. You can find more information in the consumption guide.
- You think your bungalow/terrace/tree next to the disco looks boring? This year you will find a creative corner next to the medical team - make your own decoration and make the camp more beautiful with us!
- On Monday there is the first shuttle bus Zittau at 10:30. The second (and last) possibility to get to Zittau are the buses at 13:30! **Save yourselves and us stress and preregister for one of the buses already at the online registration!**
- There will be an online feedback survey after the Pfingstcamp. If you would like to make concrete wishes, suggestions or criticism on site, there is an anonymous mailbox at the "Info-Café".
